COMBAT PATROL

MORGRIM'S BUTCHAS

ORKS | WARHAMMER 40,000 | 11TH EDITION

It takes a ferocious and foul-tempered Ork to lead a stampede of Beast Snaggas. Beastboss Morgrim possesses these qualities in abundance. Boasting cybork enhancements, a wired-in targetin' squig and an array of brutal combat weaponry, this roaring monster leads his Butchas — a warband of Beast Snagga Boyz and rampaging Squighog Boyz — in the hunt for ever bigger prey.

ARMY RULES

WAAAGH!

The infamous war cry of the Orks is known and feared throughout the galaxy. When it echoes across the battlefield, bellowed from hundreds or even thousands of toothy maws, even the most stalwart warriors fear the onslaught to come.

Friendly Orks units with this ability can re-roll Advance rolls, and can become riled up, as stated in other rules. While a unit is riled up: that unit has a 5+ invulnerable save; that unit's ranged attacks have the [ASSAULT] ability; and when that unit is selected to make an Advance move, that Advance move does not prevent that unit from being eligible to declare a charge.

DETACHMENT RULE

MORGRIM'S BUTCHAS
