Aerial Deployment

If this model starts the game in Strategic Reserves, it can be set up in the Reinforcements step of your first, second or third Movement phase, regardless of any mission rules.

Faction — Waaagh!

Friendly Orks with this ability can re-roll advance rolls, and can become riled up (see Army Rule).

Designer's Note

'Chinork' Warkopta was a 10e Legends datasheet (originally Forge World) dropped entirely from BSData in the Sept 2026 Ork codex refresh, with no official GW Legendary Proxy given. No current Ork chassis fills its flying-transport role at all, so unlike the other units in this batch it is kept fully at its own historical stats, weapon, and abilities — only cosmetic formatting was modernized.
