WEAPON	RANGE	A	WS	S	AP	D	KEYWORDS
Armoured hull	Melee	3	4+	6	0	1	

ABILITIES

Core

Deadly Demise D3

Strafing Run

Each time this model makes a ranged attack that targets a unit that cannot FLY, add 1 to the Hit roll.

Boom Bomb

At the end of your opponent's Fight phase, select one visible enemy unit (excluding Lone Operative units) within 24" of this unit, and roll one D6 for that unit: on a 1-3, that enemy unit suffers D3 mortal wounds; on a 4-5, that enemy unit suffers 3 mortal wounds; on a 6, that enemy unit suffers D3+3 mortal wounds.

Faction — Waaagh!

Friendly Orks with this ability can re-roll advance rolls, and can become riled up (see Army Rule).

Designer's Note — Legendary Proxy

Fighta-Bommer was a 10e Legends datasheet removed from BSData entirely in the Sept 2026 Ork codex refresh. GW's own Legendary Proxies list assigns it to count as Blitza-bommer. This card uses Blitza-bommer's current chassis, Dual Supa-shoota weapon (renamed Twin big shoota), and its Boom Bomb ability, plus Fighta-Bommer's own historical Strafing Run ability — worded identically to current Dakkajet's Strafing Run, confirming it survived unchanged elsewhere in the codex even though this unit's own copy was cut. Revert to a real datasheet if GW reinstates one.
