ABILITIES

CORE

Deadly Demise 1

FURIOUS BARRAGE

Each time this model makes a ranged attack that targets an enemy unit that contains five or more models, you can re-roll the Hit roll.

FACTION — WAAAGH!

Friendly Orks with this ability can re-roll advance rolls, and can become riled up (see Army Rule).

DESIGNER'S NOTE

Grot Bomm Launcha was a 10e Legends datasheet dropped entirely from BSData in the Sept 2026 Ork codex refresh, with no official GW Legendary Proxy given. Anchored to the current Warbuggies chassis using its Rivet Kannon loadout (renamed Grot-guided Bomms), with the melee weapon keeping its original name (Spiked Wheel is already a near-exact match for Warbuggies' Spiked Ram), and its signature Furious Barrage ability kept verbatim.
