ABILITIES

Core

Deadly Demise 1

Pyromaniaks

Each time a model in this unit makes a ranged attack with a Torrent weapon that targets an enemy unit within 6", re-roll a Wound roll of 1. If the target of that attack is also within range of an objective marker, you can re-roll the Wound roll instead.

Faction — Waaagh!

Friendly Orks with this ability can re-roll advance rolls, and can become riled up (see Army Rule).

Designer's Note

Skorchas was a 10e Legends datasheet dropped entirely from BSData in the Sept 2026 Ork codex refresh, with no official GW Legendary Proxy given (unlike the 15 units GW did provide a counts-as for). Anchored here to the current Warbuggies chassis using its Mek Speshul loadout (renamed Skorcha to match the flamer-buggy theme), keeping the unit's own signature Pyromaniaks ability verbatim.
