Designer's Note. Baron Sathonyx is the Drukhari Hellions character — gave Hellions an HQ option in 5e (when they were normally just Fast Attack). Dropped from BSData before 7e. Stats anchor on the Hellions-tier baseline (M12/T3/Sv4+/4++) with Hellion-specific buffs. The canonical 5e "Hellions become Troops if Sathonyx is Warlord" rule is replaced with the modern equivalent — Skyboard Mastery + Lord of the Sky-City auras that scale Hellions' effectiveness. Hit & Run preserves his canonical post-Fall-Back ability. **11th-edition verification, 2026-08-31:** checked current 11e BSData directly — no match for "Sathonyx" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
