> **Designer's Note.** Duke Sliscus is a notorious pirate-Archon — leader of the Kabal of the Soaring Spite (sometimes "Kabal of the Last Hatred"). Dropped from BSData before 7e. Stats anchor on the Archon baseline (T3/Sv6+/4++/W5). His 5e canonical signature: Dark Olympiad lets him roll extra Combat Drug dice and choose — translated as 3D6 pick 2. Serpent's tongue dart-pistol is his unique wargear (Poison + Lethal Hits — anti-character snipe profile). Twin Power Swords get Twin-linked + Sustained Hits 1 to capture the duelling-rhythm of his canonical fighting style. **11th-edition verification, 2026-08-31:** checked current 11e BSData directly — no match for "Sliscus" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
