

AHAZRA REDTH

LIBRARIAN OF THE MANTIS WARRIORS

ADEPTUS ASTARTES • MANTIS WARRIORS • IMPERIUM

The Force tulwar is a curved blade native to the Mantis Warriors' jungle-world homeland — its psychic resonance lets the wielder cleave armour as readily as bone.

Leader

This model can be attached to one of the following units: Tactical Squad, Sternguard Veteran Squad, Bladeguard Veteran Squad, Assault Intercessor Squad.

Talisman of Sundered Souls

This model has a 4+ Invulnerable Save. The first time during the battle that this model is forced to take a Perils of the Warp test (or equivalent self-damage from psychic effects), the test is automatically ignored.

Librarius Discipline

In your Command phase, this model can attempt to manifest one of the following: Veil of Time (select one friendly Mantis Warriors unit within 18" — until your next Command phase, that unit can re-roll Advance and Charge rolls); Might of Heroes (select this model or one friendly Mantis Warriors Character within 12" — until your next Command phase, melee attacks made by that model have +1 to the Strength characteristic and +1 to the Attacks characteristic).

Jungle-Hunter

This model and any unit it leads can re-roll Charge rolls if charging from terrain (a terrain feature with the Difficult or Defensible trait).

UNIT COMPOSITION

1 Ahazra Redth model. This model is equipped with: 1 bolt pistol; 1 force tulwar.

Designer's Note. BSData Imperial Armour 9 (IA9) has Ahazra Redth as a Librarian, not an Apothecary — Psyker profile (Smite + 2 Librarius powers), Force tulwar, and the Talisman of Sundered Souls relic. Stats anchor on the Librarian baseline (T4/W5/Sv2+/4++). Talisman preserves the canonical 4+ inv + ignore-first-Perils-of-the-Warp rule. Jungle-Hunter reflects the Mantis Warriors' canonical jungle-world doctrine. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Redth" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
