

CAPTAIN SILAS ALBEREC

MASTER OF THE EXORCISTS 3RD COMPANY

ADEPTUS ASTARTES • EXORCISTS • IMPERIUM

Hellslayer is a relic power-edged blade carrying a hexagrammatic ward — against witches and daemons it strikes with sun-cleansing fury. Against ordinary foes, it is merely lethal.

Designer's Note. Silas Alberec is the Captain of the Exorcists Chapter — a successor Chapter founded to host daemon-possessed Astartes, then purify them; the survivors retain their psy-awareness without becoming Librarians. Stats anchor on the Captain baseline (T4/W5/Sv2+/4++). Hellslayer's profile translates to Anti-Psyker/Anti-Daemon 2+ plus Devastating Wounds (the strongest anti-witch weapon in the roster). Hexagrammatically Warded Armour preserves his canonical Deny the Witch capability as a non-Psyker. Warp-Hunter is homebrew flavor — captures the Chapter's mission profile of hunting warp-touched enemies. **11th-**
