

CAPTAIN TARNUS VALE

MASTER OF THE FIRE ANGELS ARMoured SPEAR

ADEPTUS ASTARTES • FIRE ANGELS • IMPERIUM

The Plasma charger is a master-crafted plasma pistol unique to the Fire Angels — a triple-barrel variant that fires three plasma bolts per pull of the trigger, drawn from a single overcharged cell.

Designer's Note. Tarnus Vale is the Captain of a Fire Angels armoured spear formation — a vehicle-heavy tactical doctrine reflected in the Mechanised Advance aura. Stats anchor on the Captain baseline (T4/W5/Sv3+/4++). Plasma charger preserves the 8e profile (8" Pistol 3 with standard/supercharge modes). Mechanised Advance preserves the canonical 6+ invuln aura for nearby vehicles. Flame of the Angels is homebrew flavor — Vale's signature in lore is a single perfectly-timed plasma volley that hits with uncanny accuracy. **11th-edition**
