Aura of Discipline [AURA]

While a friendly Astra Militarum unit is within 6" of this model, that unit can re-roll Battle-shock tests and improves its Leadership characteristic by 1 (to a minimum of 4+).

Leading from the Front

While this model is engaged in combat (within Engagement Range of an enemy unit), friendly Astra Militarum units within 6" automatically pass Battle-shock tests.

Summary Execution

Each time a friendly Astra Militarum unit within 6" of this model fails a Battle-shock test, you can roll one D6 before applying the result: on a 4+, slay one model from that unit and the test is automatically passed instead.

Designer's Note. Severina Raine is the protagonist of Rachel Harrison's Black Library novel *Honourbound* (2019), and was given a brief 8th Ed datasheet via a free Warhammer Community PDF promo. This homebrew preserves all four pillars from that profile (Aura of Discipline, Summary Execution, Leading from the Front) and adds Honourbound (free Order on Officer death) to capture her novel-fluff bond with Antari officers. Use as a Commissar

leader for any Astra Militarum infantry unit. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Severina" or "Raine" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
