

IRON FATHER VAYLUND CAL

FORGE-MASTER OF THE SONS OF MEDUSA

ADEPTUS ASTARTES • SONS OF MEDUSA • IMPERIUM

Medusan Hammer is the relic forge-hammer of the Sons of Medusa Iron Fathers — its head is forged from a captured Necron lord's spine. A non-lethal blow can still detonate the victim's spinal column.

Leader

This model can be attached to one of the following units: Tactical Squad, Sternguard Veteran Squad, Bladeguard Veteran Squad, Centurion Devastator Squad, Devastator Squad.

Purge the Weak [AURA]

While a friendly Sons of Medusa unit is within 6" of this model, each time a model in that unit makes an attack, you can re-roll a failed Hit roll (not just Hit rolls of 1 — full re-roll of failures).

Blessing of the Omnissiah

At the end of your Movement phase, select one friendly Sons of Medusa Vehicle within 3" of this model. That model regains up to D3 lost wounds. A Vehicle can only be repaired once per turn.

Forge-Master

Each time this model destroys an enemy Vehicle or Monster, until the end of the battle the Damage characteristic of Medusan Hammer is increased by 1.

Iron Discipline

This model and any unit it leads automatically pass Battle-shock tests.

Designer's Note. Vaylund Cal is the Iron Father of the Sons of Medusa — a successor Chapter of the Iron Hands with an even more pronounced Mechanicus-priest tradition. Stats anchor on the Iron Father / Tech-Priest hybrid baseline (T6/W6/Sv2+/4++) with the canonical Servo-harness loadout. Medusan Hammer's 8e profile translates to S12/AP-3/D D3+1 with Devastating Wounds. Purge the Weak is a strong single-target aura — re-roll failed Hit rolls (not just 1s) for Sons of Medusa near him. Forge-Master and Blessing of the Omnissiah preserve his canonical vehicle-repair and weapon-master flavor. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Vaylund" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
