

KNIGHT-CAPTAIN ELAM COURBRAY

CHAMPION-SLAYER OF THE FIRE HAWKS

ADEPTUS ASTARTES • FIRE HAWKS • IMPERIUM

The Sword Excellus is a master-crafted duelling blade gifted to Courbray by the Fire Hawks' founding Chapter Master. Its blade flickers like fire-light, and its strikes pass through power armour as readily as cloth.

Designer's Note. Elam Courbray is the Knight-Captain of the Fire Hawks — a famed duellist whose pride forces him into single combat against enemy champions whenever the opportunity arises. Stats anchor on the Captain with Jump Pack baseline (M10"/T4/W5/Sv3+/4++, Fly + Jump Pack). The Sword Excellus's 8e re-roll-failed-wounds profile is preserved as Twin-linked + Precision. Martial Contempt's canonical "must target Character" rule is kept verbatim — a self-imposed restriction that becomes a strength against champion targets. Hawk-Strike plus Charge synergy turns Courbray into a glass-cannon character-hunter. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Courbray" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
