Designer's Note. Malakim Phoros is the Chapter Master of the Lamenters — a successor Chapter of the Blood Angels, cursed with every imaginable misfortune in its history, hence the mourning yellow + blue-tear heraldry. Stats anchor on the Chapter Master baseline (T4/W6/Sv2+/4++). The Glaive of Lamentation preserves its 8e profile via S7/AP-4/D D3+2 with Devastating Wounds. Sons of Sanguinius (Cursed) is homebrew flavor — the

Lamenters' tragic resilience expressed mechanically as Mortal-Wound FNP. Vow of Penitence converts his canonical lore role into a once-per-battle declaration. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Phoros" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
