Cannot end within Engagement Range of an enemy.

Rage of the Bereaved

Designer's Note. Svangir and Ulfgir accompanied Wolf Lord Bran Redmaw in his Forge World Imperial Armour incarnation. Mechanically: an elite 2-model Fenrisian Wolf pack (T5/Sv5+/W4 vs canonical Fenrisian Wolves at T4/Sv6+/W2) with a duo-loss escalation (Rage of the Bereaved) and a Bran-tether (Hounds of Redmaw) that keeps them tactically welded to their Wolf Lord. Pairs with the Bran Redmaw homebrew datacard. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Svangir" or "Ulfgir" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
