COMBAT PATROL

GORDRANG'S GITSTOMPAS

ORKS | WARHAMMER 40,000 | 11TH EDITION

Nothing gets in the way of Warboss Gordrang's ladz. At least, not without being riddled with bullets and rokkits, smashed flat with an assortment of piston-driven klaws, then trampled into the mud by a stampede of bellowing lunatics. What Gordrang lacks in subtlety — and it's a lot — is more than made up for by the brute savagery and resilience of his horde, who live to rampage across battlefield after battlefield and hurl themselves into every fight they can find.

ARMY RULES

WAAAGH!

The infamous war cry of the Orks is known and feared throughout the galaxy. When it echoes across the battlefield, bellowed from hundreds or even thousands of greenskin mouths, even the most stalwart warriors fear the onslaught to come.

Friendly Orks units with this ability can re-roll Advance rolls, and can become riled up, as stated in other rules. While a unit is riled up: that unit has a 5+ invulnerable save; that unit's ranged attacks have the [ASSAULT] ability; and when that unit is selected to make an Advance move, that Advance move does not prevent that unit from being eligible to declare a charge.

DETACHMENT RULE

GORDRANG'S GITSTOMPAS

Detachment Points: To use this detachment you must spend 1 DP.

GITSTOMPA FEROCITY

Each time a unit from this detachment destroys an enemy unit in the Fight phase, until the end of the battle, add 1 to Advance and Charge rolls made for that unit.

FORCE DISPOSITIONS

This detachment has access to the following Force Disposition: Purge the Foe.

ENHANCEMENTS

GRIZZLED SKARBOY — *Gordrang's Gitstompas Warboss Gordrang unit only*

Each time a ranged attack is allocated to the bearer, halve the Damage characteristic of that attack.

TELLYPORTA — *Gordrang's Gitstompas Warboss Gordrang unit only*

In the Declare Battle Formations step, select one Boyz unit from your army. Until the end of the battle, the bearer and every model in that Boyz unit have the Deep Strike ability. When setting these units up on the battlefield using the Deep Strike ability, they must be set up in the same turn and within 3" of each other.
