ABILITIES

Faction — Sons of the Legions

Generic Legiones Astartes (HH) datasheet usable by any of the 18 Legions. Treats as **Oath of Moment** (Loyalist) or **Dark Pact** (Traitor) for 40K interop.

Leader

This model can join one of the following units: Tactical Squad, Veteran Tactical Squad, Breacher Squad, Despoiler Squad, Tactical Support Squad, Seeker Squad, Heavy Support Squad, Recon Squad, Veteran Assault Squad (PA-armour Marines only).

Leader

This model can join a Cataphractii / Tartaros / Saturnine Terminator Squad (matching armour type) OR a Praetorian Command Squad.

Leader (Jump Pack variant)

While in the Jump Pack variant, this model can join a Veteran Assault Squad or any other Jump-Pack-equipped unit instead of foot-units.

Master of the Apothecarion

[AURA] While a friendly Legiones Astartes unit is within 6" of this model, that unit has the **Feel No Pain 5+** ability. (The Aura does NOT stack with the Apothecary's own narthecium — units within both ranges use the better one.)

Master Reductor

Once per battle, at the start of your Movement phase, you can select one friendly Legiones Astartes unit within 6" of this model that has had a model destroyed earlier this battle. Return one of those destroyed models to that unit, set up wholly within the unit and within Engagement Range of no enemy.

Narthecium

In your Command phase, this model heals 1 wound on itself OR on any friendly Legiones Astartes Character within 3".

DESIGNER'S NOTE — *Primus Medicae is the senior Apothecary of a Legion — far more capable than the squad-attached Apothecary, with battlefield-wide healing and once-per-battle revive. Canonical 10e Apothecary Biologis covers part of the role; the HH version has a stronger Aura (6" 5+ FNP for any friendly Legiones Astartes unit). HB: standard Captain-tier T4/Sv3+/W5/5+inv + 6" FNP 5+ Aura + once-per-battle revive of a destroyed model + Command-phase wound heal on self or Character within 3". 80 pts.* **IIE CODEX UPDATE (18 OCT 2026):** *power armour T5 like the codex Intercessors and the Chaos Legionaries; Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Captain 80→90.*
