Faction — Acts of Faith
See Army Rule.

Icon of Chiros
While a friendly Adeptus Ministorum or Astra Militarum unit is within 6" of this model, each time you take a Battle-shock test for that unit, you can re-roll the result. In addition, that unit cannot be Battle-shocked while it is wholly within range of an objective marker you control.

War Hymns
While a friendly Adeptus Ministorum Infantry unit is within 6" of this model, that unit has +1 to the Attacks characteristic of its melee weapons.

Word of the Emperor
Each time a friendly Adeptus Ministorum Infantry model within 6" of this model would be destroyed, roll one D6: on a 4+, that model is not destroyed, has 1 wound remaining, and any Excess Damage from that attack is not applied to it.

Zealot
Each time this model or a model in its unit makes a melee attack, if that unit made a Charge move this turn or was charged this turn, you can re-roll a Hit roll of 1.

Bolt Pistol

> **Designer's Note.** Arch-Confessor Kyrinov of the Frateris Templar bears the Icon of Chiros, a relic recovered from the tomb of Cardinal Bucharis. He had rules across the 7th-9th Edition Codex Adepta Sororitas line, reaching back to earlier Ministorum/Sisters of Battle codices in altered form. No current 10e/11e datasheet exists for him. Statline

> preserved from the 9th Ed Wahapedia profile (M6 W5 Sv5+ 4++ inv); Mace of Valaan kept at S+2/AP-3/D2; abilities translated to modern keyword phrasing (Icon of Chiros/War Hymns as ranged auras, Word of the Emperor adapted to modern excess-damage rules). **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Kyrinov" anywhere, confirming this remains genuinely unsupported homebrew content. No BSData-driven stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
