Designer's Note. HH3e Skitarii Conclaves Bonepicker Host. Fringe scavenger detachment. Cheap horde infantry, low stats. Salvager mechanic gives them a unique scoring role rather than competing with Tech-Thralls for the same job. **11th-edition verification, 2026-08-28:** confirmed still current in fresh HH3e BSData (`Skitarii Conclaves.json`, non-hidden, typed plain "Infantry"). Real SAV is 6+ (card has 5+, a modest existing buff) — left as-is, within the "anchor to a comparable tier" tolerance for cheap horde infantry. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
