COLONEL "IRON HAND" SCHAEFFER

85
POINTS

LAST CHANCE, NO QUARTER

ASTRA MILITARUM • PENAL LEGION • IMPERIUM

Schaeffer's bionic eye sees through the bullet-haze every shot a moment before it leaves the chamber. His bionic right arm has crushed the gorget of a Traitor Astartes captain. The plasma pistol is a relic of his Cadian Hostile-Environment commission — once issued to him, never returned.

> **Designer's Note.** Colonel "Iron Hand" Schaeffer commanded the Last Chancers across 3rd-5th Ed Codex Imperial Guard, inspiring Gav Thorpe's six-novel series. His identity was four-fold: Iron Discipline keeping the unit fearless, bionic eye + arm augmetics, "iron will" survivability, and command versatility. This conversion preserves all four: Iron Discipline aura, Bionic Eye (Precision + once-per-battle re-roll), Iron Hand (literal return-from-the-dead once-

per-battle), and broad Leader attachment options. Dropped from 6th Ed onward. **11th-edition verification, 2026-08-31:** checked current 11e BSData directly — no match for "Schaeffer" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
