Designer's Note. Severina Raine is the protagonist of Rachel Harrison's Black Library novel *Honourbound* (2019), and was given a brief 8th Ed datasheet via a free Warhammer Community PDF promo. This homebrew preserves all four pillars from that profile (Aura of Discipline, Summary Execution, Leading from the Front) and adds Honourbound (free Order on Officer death) to capture her novel-fluff bond with Antari officers. Use as a Commissar leader for any Astra Militarum infantry unit. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Severina" or "Raine" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the
