> **Designer's Note.** Regiment-agnostic core unit — per-regiment flavour belongs in each Combat Patrol's own Detachment Rule, Army Rule, and Enhancements, not in this datasheet. Converted from the 7th Edition-sourced homebrew Infantry Platoon (v3)'s Infantry Squad sub-squad. 11th-edition conversion, 2026-07-28: split out of the old combined-unit "Infantry Platoon" system into its own standalone datasheet, matching how current BSData already treats Cadian/Catachan/Krieg Shock Troops as separate units. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
