ABILITIES

CORE

Lone Operative. Termi variant additionally has Deep Strike.

Faction

Oath of Moment.

A Glorious Death

The first time this model is destroyed, roll one D6: on a 4+, set this model back up as close as possible to where it was destroyed and not within Engagement Range of any enemy models, with 1 wound remaining. The model can only be revived once per battle.

Worthy of a Saga

Each time this model makes a melee attack against a **Character** or **Monster** unit, you can re-roll the Wound roll.

An Army of One

This model can never be your Warlord and cannot take Enhancements. It cannot join other units (it is always a Lone Operative — solo).

Designer's Note

Homebrew — 8th Ed (Codex Space Wolves source). The Lone Wolf is a Wolf Guard who has lost his pack and walks the Death-Oath, seeking glory or honourable end. He had distinct datasheets in 4th-9th Edition Codex Space Wolves with both power-armour and Terminator variants. This is a homebrew 10e port: dual statblock for both armour profiles; weapon options consolidated to current 10e profiles (Frost weapons standardised to S5/AP-2/D2 per Wolf Lord canon, Wolf Claws as Twin-linked S5/AP-2/D1). "A Glorious Death" preserved as a once-per-battle revive. Lone Operative captures the "Army of One" identity in 10e keywords. **11e codex update (18 Oct 2026):** power armour T5 like the codex Intercessors and the Chaos Legionaries; Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Captain 80→90.
