Stimm needle	Melee	1	4+	2	0	1	Anti-Infantry 4+

ABILITIES

How to use

Extra model options for GW's Traitor Guardsmen Squad datasheet. Each takes the place of a Traitor Guardsman (it counts towards the unit's 9 Traitor Guardsmen and uses its statline, except the Traitor Ogryn). Each can be taken once per unit; the Traitor Ogryn costs +20 pts, the rest are free.

Traitor Ogryn

Profile: M 6" · T 6 · Sv 5+ · W 3 · LD 7+ · OC 1. Equipped with: power maul and mutant claw. Avalanche of Muscle: Each time this unit ends a Charge move, if this model is in it, select one enemy unit within Engagement Range of it and roll one D6: on a 4+, that unit suffers D3 mortal wounds.

Traitor Brimstone Grenadier

Equipped with: close combat weapon; diabolyk bomb.

Traitor Trench Sweeper

Equipped with: shotgun; bayonet and shield. Shielding: This model has a Save characteristic of 4+.

Traitor Flenser

Equipped with: skinning blades.

Traitor Butcher

Equipped with: power weapon and cleaver.

Traitor Thug

Equipped with: heavy club.

Traitor Enforcer

Equipped with: bolt pistol; power fist. Gruelling Disciplinarian: While this model is in this unit, you can re-roll Battle-shock tests taken for this unit.

Traitor Corpseman

Equipped with: stimm needle; lasgun. STIMMs: While this model is in this unit, models in this unit have the Feel No Pain 6+ ability.

Traitor Commsman

Equipped with: close combat weapon; lasgun. Signal: Each time you target this model's unit with a Stratagem, roll one D6: on a 5+, you gain 1CP.

Designer's Note — Kill Team Kit

Brings the rest of the Kill Team "Blooded" (2024) box into 40k. GW's Traitor Guardsmen Squad covers the Chieftain (Traitor Sergeant), Troopers, Gunners and Sharpshooter; the Ogryn, Brimstone Grenadier, Trench Sweeper, Flenser, Butcher, Thug, Enforcer, Corpseman and Commsman had no 40k rules. NFLB adds them as model options inside the official datasheet, so they follow GW's statline and points.
