Profile — Bullgryn

M 6" · T 6 · Sv 3+ · W 3 · LD 7+ · OC 1

Shoot Sharp and Scarper

In your Shooting phase, after this unit has shot, if it is not within Engagement Range of any enemy units, it can make a Normal move as if it were your Movement phase. If it does, until the end of the turn, this unit is not eligible to declare a charge.

Ogryn Minders

This unit contains 1 Ogryn and 1 Bullgryn model. While this unit contains one or more Ogryn models, it does not have the Infiltrators ability. Ogryn models in this unit have the Feel No Pain 6+ ability.

Ratling Battlemutt

Once per battle, when this unit is selected to shoot, it can use this ability. If it does, until the end of the phase, ranged weapons equipped by models in this unit have the [LETHAL HITS] ability. Designer’s Note: *Place a Ratling Battlemutt token

next to the unit, removing it once this ability has been used.*

Demolition Gear

The bearer's unit has the Grenades keyword.

Point-blank Barrage

Each time a model in this unit makes a ranged attack that targets the closest eligible target, improve the Armour Penetration characteristic of that attack by 1.

Slabshield

The bearer has a Wounds characteristic of 4.

Brute Shield

The bearer has a 4+ invulnerable save.

Wall of Muscle

Each time an attack is allocated to a model in this unit, subtract 1 from the Damage characteristic of that attack.

Unit Composition

5-10 Ratlings (up to 1 with a tankstopper rifle), 1 Ogryn and 1 Bullgryn. 110 pts with 5 Ratlings; 150 pts with 6-10 Ratlings.

Designer's Note — Kill Team Kit

Brings the Kill Team "Ratlings" (2024) box into 40k as one unit: GW's own Ratlings datasheet (official stats, weapons and Battlemutt / Demolition Gear options) with the box's Ogryn and Bullgryn as minders, using GW's Ogryn and Bullgryn models. It costs the Ratlings plus one third of an Ogryn Squad and of a Bullgryn Squad (their per-model price), so it follows the Munitorum Field Manual.
