COMBAT PATROL

THE PENITENT HOST

ADEPTA SORORITAS | WARHAMMER 40,000 | 11TH EDITION

Canoness Ellyrine leads a host bound by faith and pain in equal measure — a Battle Sisters Squad and Seraphim Squad fighting for the Emperor's grace, while Repentia, Arco-flagellants and a Penitent Engine seek atonement through violence, carried into battle by a Sororitas Rhino. This reference adapts the original 10th-edition Combat Patrol: The Penitent Host box to the 11th-edition Combat Patrol framework, formatted to match the No Figure Left Behind Combat Patrol archive.

ARMY RULE

ACTS OF FAITH

If your Army Faction is Adepta Sororitas, each unit from your army with this ability can perform one Act of Faith per phase. This is done using Miracle dice.

Gaining Miracle Dice

If your Army Faction is Adepta Sororitas, you gain 1 Miracle dice:

• At the start of each battle round.
• Each time an Adepta Sororitas unit from your army is destroyed.

Each time you gain a Miracle dice, roll one D6. The number you roll is the value of that Miracle dice. This value cannot be changed or re-rolled, unless a rule specifically states otherwise. Keep your Miracle dice to one side — this is your Miracle dice pool.

Performing an Act of Faith

Before making a dice roll for a model or unit from your army with the Acts of Faith ability, if you have one or more dice in your Miracle dice pool, that unit can perform an Act of Faith. If it does, select one of the dice from your Miracle dice pool to substitute that dice roll (if a roll involves more than one dice, e.g. a Charge roll or Battle-shock test, only a single dice can be substituted). The dice being substituted is not rolled; instead, the value of the selected Miracle dice is used as if it had been rolled (this counts as an unmodified dice roll of that value for all rules purposes). Each Miracle dice can only be selected for substitution once. Once all substitutions have been made, remove the chosen Miracle dice from your pool, and roll all remaining, unsubstituted dice that are part of the dice roll.

You can use Miracle dice for any of the following rolls:

• Advance roll • Battle-shock test • Charge roll • Damage roll • Hit roll • Saving throw • Wound roll

DETACHMENT RULE

THE PENITENT HOST

Detachment Points: To use this detachment you must spend 1 DP.

PENANCE THROUGH PAIN

Each time a model in a friendly Penitent Host unit is destroyed, if that unit is not destroyed, that unit's melee attacks have [SUSTAINED HITS 1] until the end of the turn.

FORCE DISPOSITIONS

This detachment has access to the following Force Disposition: Purge the Foe.

ENHANCEMENTS

ARMOUR OF FAITH — *The Penitent Host Canoness Ellyrine model only*

This model has the Feel No Pain 4+ ability. In addition, while this model is leading a unit, other models in that unit have the Feel No Pain 5+ ability.

SAINTLY RELIC — *The Penitent Host Battle Sisters Squad unit only*

Upgrade: in your Command phase, if this unit is not Battle-shocked and is within range of an objective marker you control, you gain 1 Miracle dice. In addition, while this unit is on the battlefield, each time you gain a Miracle dice, you can re-roll that Miracle dice.

STRATAGEMS

DIVINE PROTECTION **1CP**
The Penitent Host

When: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has selected its targets.

Target: One friendly Penitent Host unit that was selected as the target of one or more of the attacking unit's attacks.

Effect: Until the end of the phase, models in your unit have a 5+ invulnerable save, or a 4+ invulnerable save instead if your unit is a Battle Sisters Squad or a Seraphim Squad.

HOLY CLEANSING **1CP**
The Penitent Host

When: Your Shooting phase or the Fight phase.

Target: One friendly Penitent Host Infantry unit that has not been selected to shoot or fight this phase.

Effect: Until the end of the phase, weapons equipped by models in your unit have the [LETHAL HITS] ability.

MARTYR'S DEATH **2CP**
The Penitent Host

When: Fight phase, just after an enemy unit has selected its targets.

Target: One friendly Penitent Host unit that was selected as the target of one or more of the attacking unit's attacks.
