COMBAT PATROL

SIGUARD'S CRUSADERS

BLACK TEMPLARS (ADEPTUS ASTARTES) | WARHAMMER 40,000 | 11TH EDITION

Marshal Siguard leads a compact but ferocious Black Templars force — a Crusader Squad and Intercessor Squad carrying the crusade forward while a Black Templars Impulsor delivers the killing blow at speed. **11e Space Marine codex update (18 Oct 2026):** datasheets re-synced to the 11e Space Marine codex in BSData (toughness, weapon profiles and keywords).

This is a fan conversion, not an official Games Workshop product. Siguard's Crusaders was never updated to 11th edition Combat Patrol format by GW; this reference adapts the original 10th-edition Combat Patrol box to the 11th-edition Combat Patrol framework (Detachment Points, a new Detachment Rule, Force Dispositions, and two unit-targeted Enhancements), following the conventions observed across GW's own official 11th-edition Combat Patrol conversions. Formatted to match the No Figure Left Behind Combat Patrol archive.

ARMY RULES

HEIRS OF SIGISMUND

If an Adeptus Astartes unit has a second Faction keyword on its datasheet, that Faction keyword is the name of that unit's Chapter. You cannot include units from more than one Chapter in your army.

If your army includes one or more units from the Black Templars Chapter or you are using a Black Templars Detachment:

• Adeptus Astartes units from your army lose the Oath of Moment army rule (if they have it), and it is replaced with the Templar Vows army rule.
• You cannot use the 1st Company Task Force Detachment (see Codex: Space Marines).
• Your army cannot include any Adeptus Astartes Psyker models.
• Your army cannot include the following datasheets from Codex: Space Marines: Gladiator Lancer; Gladiator Reaper; Gladiator Valiant; Impulsor; Land Raider Crusader; Repulsor; Repulsor Executioner; Sternguard Veteran Squad; Terminator Squad.

TEMPLAR VOWS

If your Army Faction is Adeptus Astartes, at the start of the first battle round, select one of the following Vows to be active for Adeptus Astartes units from your army. While a Vow is active for a unit, that unit has the associated ability shown below.

Abhor the Witch, Destroy the Witch

• Each time this unit declares a charge, if one or more targets of that charge have the Psyker keyword, you can re-roll the Charge roll.
• Melee weapons equipped by models in this unit have the [PRECISION] ability while targeting Psyker units.

Accept any Challenge, no Matter the Odds

Each time a model in this unit makes a melee attack, if the Strength characteristic of that attack is less than or equal to the Toughness characteristic of the target, add 1 to the Wound roll.

Suffer Not the Unclean to Live

This unit is eligible to declare a charge in a turn in which it Fell Back, and each time a model in this unit makes a Pile-in or Consolidation move, it does not need to end that move closer to the closest enemy model, provided it ends that move as close as possible to the closest enemy unit.

Uphold the Honour of the Emperor

If this unit has the Infantry keyword: • At the end of your Command phase, if this unit is within range of an objective marker you control, that objective marker remains under your control until your opponent's Level of Control over that objective marker is greater than yours at the end of a phase. • If the mission you are playing features Actions, this unit is eligible to start to perform an Action in a turn in which it Advanced.

DETACHMENT RULE

SIGUARD'S CRUSADERS

Detachment Points: To use this detachment you must spend 1 DP.

CRUSADER'S CHARGE

When a friendly Siguard's Crusaders unit ends a Charge move, until the end of the turn, that unit's melee attacks have +1 to wound rolls.

FORCE DISPOSITIONS

This detachment has access to the following Force Disposition: Purge the Foe.

ENHANCEMENTS

CRUSADERS' FERVOUR — *Siguard's Crusaders Marshal Siguard model only*

Add 1 to the Attacks characteristic of melee weapons equipped by models in the bearer's unit.

RIGHTEOUS DEFIANCE — *Siguard's Crusaders Crusader Squad unit only*
Models in this unit have the Feel No Pain 5+ ability. In addition, once per battle, when this unit is selected as the target of an attack, you can use this ability. If you do, until the end of the phase, models in this unit have the Feel No Pain 4+ ability instead.
