COMBAT PATROL

AURELLIOS' BANISHERS

GREY KNIGHTS | WARHAMMER 40,000 | 11TH EDITION

The very nature of the wars fought by the Grey Knights often sees them vastly outnumbered by their foes, but rarely outclassed. Librarian Aurellios' strike force is no exception, for while its warriors may seem few in number, the focused martial and spiritual might they bring to the battlefield is more than enough to see the greatest alien or daemonic abominations laid low.
11e Space Marine codex update (18 Oct 2026): datasheets re-synced to the 11e Space Marine codex in BSData (toughness, weapon profiles and keywords).

ARMY RULES

GATE OF INFINITY

If your Army Faction is Grey Knights, at the end of your opponent's Fight phase, you can select a number of units from your army that are on the battlefield (excluding units that are within Engagement Range of one or more enemy units), providing every model in those units has this ability. The maximum number of units you can select depends on the battle size, as follows: Incursion — up to 2 units; Strike Force — up to 3 units; Onslaught — up to 4 units.

Once you have made your selections, remove those units from the battlefield and place them into Strategic Reserves.

DETACHMENT RULE

AURELLIOS' BANISHERS

Detachment Points: To use this detachment you must spend 1 DP.

SANCTIFIED STRIKE

Each time a unit from this detachment ends a Charge move, until the end of the phase, melee weapons equipped by models in that unit have the [ANTI-DAEMON 4+] ability.

FORCE DISPOSITIONS

This detachment has access to the following Force Disposition: Purge the Foe.

ENHANCEMENTS

BANISHMENT STONE (PSYCHIC) — *Aurellios' Banishers Librarian Aurellios unit only*

Each time the bearer destroys an enemy Character model, roll one D6: on a 2+, you gain 1CP.

DOMINATING AURA (PSYCHIC) — *Aurellios' Banishers Librarian Aurellios unit only*

The bearer has an Objective Control characteristic of 3.

STRATAGEMS

WARDED PLATE **1CP**

Aurellios' Banishers — Battle Tactic Stratagem

When: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has selected its targets.

Target: One Grey Knights Infantry unit from your army that was selected as the target of one or more of the attacking unit's attacks.

Effect: Until the end of the phase, each time an attack targets your unit, if the Strength characteristic of that attack is greater than your unit's Toughness characteristic, subtract 1 from the Wound roll.

UNYIELDING TO THE LAST **1CP**

Aurellios' Banishers — Battle Tactic Stratagem

When: Fight phase, just after an enemy unit has selected its targets.

Target: One Grey Knights Infantry unit from your army that was selected as the target of one or more of the attacking unit's attacks.

Effect: Until the end of the phase, each time a model in your unit is destroyed, if that model has not fought this phase, roll one D6: on a 4+, do not remove it from play. The destroyed model can fight after the attacking model's unit has finished making its attacks, and is then removed from play.

EMERGENCY TELEPORT **2CP**

Aurellios' Banishers — Strategic Ploy Stratagem

When: Your opponent's Fight phase.

Target: One Grey Knights Infantry unit from your army that is within Engagement Range of one or more enemy units.

Effect: Until the end of the turn, your unit is eligible to be selected for the Gate of Infinity ability, even though it is within Engagement Range of enemy units.

MISSION

Banish the Daemon

No Figure Left Behind homebrew mission. GW has not published a mission for this patrol.

Before the battle: Your opponent selects one unit from their army. That unit is the daemonic taint.

ANY BATTLE ROUND	
When: End of your turn.	
The daemonic taint was destroyed this or last turn.	**15VP**

SECOND BATTLE ROUND ONWARDS	
When: End of your Command phase (or the end of your turn in the fifth battle round).	
A friendly unit (excluding **battle-shocked** units) is within 3" of the centre of the battlefield.	**5VP**
