COMBAT PATROL — HORUS HERESY (30K)

SHADOW OF PROSPERO

THOUSAND SONS (HH, TRAITOR) | WARHAMMER 40,000 | 11TH EDITION

Ahzek Ahriman already knows how the fight ends before the first shot is fired — a Khenetai blade-cabal moves to the outcome he's seen, an Ammitara cadre appears where no one expected them, a rune-warded Castellax stands ready to take the warp's backlash, and a company of jump-pack veterans closes whatever gap is left. Shadow of Prospero is a fully homebrew Combat Patrol for the Thousand Sons (XV Legion) faction — a Horus Heresy-era Traitor Legion warband adapted to the Warhammer 40,000 11th-edition Combat Patrol framework, built around the real HH3e Thousand Sons roster (Ahzek Ahriman, Khenetai Occult Cabal, Ammitara Occult Intercession Cabal, Castellax-Achea Automata) alongside a generic Legiones Astartes unit. Formatted to match the No Figure Left Behind Combat Patrol archive. Approx. 525pts at minimum squad size — Magnus the Red is deliberately excluded, a Primarch's points cost alone exceeds this box's budget. **11e Space Marine codex update (18 Oct 2026):** datasheets brought in line with their updated standalone cards (power armour T5, Terminators T6, Astartes bolt weapons S5 AP-1 with [CLOSE-QUARTERS] pistols, codex weapon profiles). Current card points: Ahzek Ahriman 105, Khenetai Occult Cabal 130 / 255, Ammitara Occult Intercession Cabal 95 / 185, Castellax-Achea Automata 60, Veteran Assault Squad 135 / 270.

ARMY RULE

PROSPERO'S GAZE

Once per turn, in your Movement phase, you can select one enemy unit anywhere on the battlefield and visible to a friendly Thousand Sons unit. Until the end of the turn, each time a friendly Thousand Sons unit makes an attack that targets that unit, you can re-roll a Wound roll of 1.

DETACHMENT RULE

THOUSAND SONS — FORTRESS OF THE MIND

Detachment Points: To use this detachment you must spend 1 DP.

A mind trained on Prospero can turn aside a bolt round the same way it turns aside a lesser sorcerer's hex. Once per battle, when a friendly Thousand Sons unit (excluding Vehicles) is selected as the target of a ranged attack, you can activate this rule. If you do, roll one D6: on a 4+, that unit has a 3+ invulnerable save against that attack; on a 1-3, that unit has a 5+ invulnerable save against that attack instead, and after the attack is resolved, that unit and the attacking unit each suffer 1 mortal wound.

FORCE DISPOSITIONS

This detachment has access to the following Force Disposition: Priority Assets.

ENHANCEMENTS

MARK OF THE ARCH-SORCERER — *Ahzek Ahriman model only*

Once per battle, at the start of the Fight phase, this model can be selected to fight twice this phase, resolving all of its attacks each time.

BLADEWEAVER'S OATH — *Khenetai Occult Cabal unit only*

This unit's Bladeweaving ability can be used twice per battle instead of once.
