ABILITIES

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Scavenger Swarm

After this unit destroys an enemy unit, models in this unit may immediately make a 3" Normal move.

Salvager

At the end of your Command phase, if this unit is wholly within 6" of an enemy unit that was destroyed earlier this turn, you can score 1 Victory Point (max 3 per battle).

Scouts 9"

After both players have deployed, but before the first turn begins, this unit can make a Normal move of up to 9".

Designer's Note

**Homebrew — HH3e → 10e Conversion.** HH3e Skitarii Conclaves Bonepicker Host. Fringe scavenger detachment. Cheap horde infantry, low stats. Salvager mechanic gives them a unique scoring role rather than competing with Tech-Thralls for the same job.
