ABILITIES

Atomantic Shielding

This model has a 5+ invulnerable save.

Cortex Controller

While this unit is within 12" of a friendly Tech-Priest model, each time a model in this unit makes an attack you can re-roll a Hit roll of 1. If the friendly Tech-Priest has the Cybertheurgist keyword, re-roll all Hit rolls of 1.

Implacable Programming

This model automatically passes Battle-shock tests, and is unaffected by rules that would force it to Fall Back against its preprogrammed orders.

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Deadly Demise D3

When this model is destroyed, roll one D6 before removing it; on a 6 each unit within 6" suffers D3 mortal wounds.

Designer's Note

Homebrew — HH3e → 10e Conversion. HH3e Castellax Destructor Maniple variant. Same Kastelan-tier chassis as the Battle Maniple but specialised anti-armour loadout. Darkfire cannon profile combines Heresy-era beamer aesthetics with 10e Lance + Devastating Wounds for the iconic "punches a tank in one shot" feel.

WARGEAR OPTIONS

DESTRUCTOR WEAPON CHOICES: Each Castellax in the unit may take one of: darkfire cannon (shown), graviton hammer (Melee A4 S10 AP-3 D3 [Anti-Vehicle 3+]), or twin-linked irad cleansers (12" A D6 S6 AP-2 D2 [Torrent, Anti-Infantry 3+]). The Destructor pattern foregoes general-purpose firepower for specialised armour-killing.
