Mace of Valaan	Melee	4	3+	5	-3	2	—

A blessed warhammer-mace, its head wrought from the same blackened iron as the Saint Cathexes' own. Each blow carries the weight of the Confessor's wrath.

ABILITIES

Core

Leader.

Leader

This model can be attached to one of the following units: **Battle Sisters Squad**, **Dominion Squad**, **Celestian Sacresants**, **Repentia Squad**.

Icon of Chiros [AURA]

While a friendly **Adeptus Ministorum** or **Astra Militarum** unit is within 6" of this model, each time you take a Battle-shock test for that unit, you can re-roll the result. In addition, the unit cannot be Battle-shocked while it is wholly within range of an objective marker you control.

War Hymns [AURA]

While a friendly **Adeptus Ministorum Infantry** unit is within 6" of this model, add 1 to the Attacks characteristic of melee weapons equipped by models in that unit.

Word of the Emperor

Each time a friendly **Adeptus Ministorum** Infantry model within 6" of this model would be destroyed, roll one D6: on a 4+ that model is not destroyed, has 1 wound remaining, and any Excess Damage from that attack is not applied to it.

Zealot

Each time this model or a model in its unit makes a melee attack, if the bearer's unit made a Charge move this turn, was charged this turn, or performed a Heroic Intervention this turn, re-roll a Hit roll of 1.

Designer's Note

Homebrew — 9th Ed (Wahapedia source). Arch-Confessor Kyrinov of the Frateris Templar bears the Icon of Chiros, a relic recovered from the tomb of Cardinal Bucharis. He had rules from the 7th-9th Edition Codex Adepta Sororitas line, also reaching back to earlier Ministorum/Sisters of Battle codices in altered form. No current 10e datasheet. This profile is a homebrew 10e conversion based on his 9th Ed Wahapedia profile: statline preserved (M6/W5/Sv5+/4++); Mace of Valaan kept at S+2/AP-3/D2; abilities re-translated to 10e keywords with Aura formatting on Icon/War Hymns, Word of the Emperor adapted to 10e excess-damage rules.
