ABILITIES

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Iron Discipline

This unit automatically passes Battle-shock tests.

Magisterial Cybertheurgy

At the start of your Command phase, while this unit is on the battlefield, you may invoke one of: *Sacred Catechism* (one friendly Mechanicum unit within 12" gains [LETHAL HITS] on all its attacks this turn), or *Hexagrammic Litany* (one enemy unit within 18" subtracts 1 from Hit rolls until your next Command phase).

Forbidden Knowledge

This unit has a 5+ invulnerable save AND a 5+ Feel No Pain ability against attacks with the [PSYCHIC] ability.

Designer's Note

Homebrew — HH3e → 10e Conversion. HH3e Arcuator Magisterium — a small conclave of Cybertheurgical specialists, intended to project Sacred Algorithms-tier buffs from a non-Character unit. Two-target invocation in Command phase mirrors HH3e's multi-Discipline system.
