The Sceptre of Dark Millennia is a relic of pre-Fall Eldar craftsmanship — an obsidian-tipped power-staff that has slain Daemon Princes, Phoenix Lords, and rival Archons alike. Vect alone is permitted to wield it.

ABILITIES

Core

Leader, Lone Operative, Deep Strike.

Faction

Power From Pain.

Leader

This model can be attached to one of the following units: **Kabalite Warriors**, **Kabalite Trueborn**, **Incubi**.

Shadow Field

This model has a **3+ Invulnerable Save**. The first time this model fails an Invulnerable save in any phase, its Invulnerable save is permanently reduced to **6+** for the rest of the battle.

Supreme Overlord [AURA]

While a friendly **Drukhari** unit is within 6" of this model, that unit re-rolls Hit rolls of **1**, AND while wholly within your opponent's deployment zone, also re-rolls Wound rolls of **1**.

Master of Combat Drugs

In your Command phase, you may select one Combat Drug for this model and any unit it leads (instead of rolling randomly). The chosen drug applies until your next Command phase, and the unit gains **+1 to Wound rolls** for the entire duration (in addition to the drug's normal effects).

Eternal Spite

Each time this model would lose its last wound, roll one **D6**: on a **5+**, this model is not destroyed and instead has its remaining Wounds set to **1**. This ability cannot trigger more than once per battle.

Designer's Note

Homebrew — 5th Ed (Codex Dark Eldar 2010). **Non-BSData source:** This character has no BSData entry in our cached 7e/8e/9e/10e repos — he was removed from BSData before 7e (2014). Profile translated from lore knowledge of the 5e/7e codex Asdrubael Vect: M6/WS7/BS6/S4/T4/W4/I8/A4/Ld10/Sv2+/4++ Shadow Field. Sceptre of Dark Millennia preserved as the iconic relic. Stats anchor on 10e Archon baseline (M7/T3/Sv6+/4++) elevated to Supreme Overlord tier

(T4/W6/Sv2+/3++). Shadow Field degrade-on-fail rule preserved verbatim. Combat Drugs auto-select is the canonical Vect mechanic. He never lost — Eternal Spite gives him one resurrection per battle to reflect that lore.
