ABILITIES

DAEMONIC

This model has a 5+ invulnerable save (4+ against Psychic attacks). Each time this model would lose its last wound, before it is destroyed roll one D6: on a 6, it has 1 wound remaining instead.

DOCTRINA IMPERATIVES

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

IRON DISCIPLINE

This unit automatically passes Battle-shock tests.

HOOKE IMPALER

If the Blood Slaughterer's impaler is used in the Shooting phase to hit and wound a target Vehicle or Monster, that model also takes D3 mortal wounds AND is dragged 6" closer to the Slaughterer.

BLOOD-FUELED RAGE

Each time this model destroys an enemy unit, in your following Command phase the model regains D3 lost wounds.

DEADLY DEMISE D3

When this model is destroyed, roll one D6 before removing it; on a 6 each unit within 6" suffers D3 mortal wounds.

DESIGNER'S NOTE
