Daemonic

This model has a 5+ invulnerable save (4+ against Psychic attacks). Each time this model would lose its last wound, before it is destroyed roll one D6: on a 6, it has 1 wound remaining instead.

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Iron Discipline

This unit automatically passes Battle-shock tests.

Brass-Forged Hunger

Each time this model destroys an enemy unit in melee, in your following Command phase the model regains D3+2 lost wounds.

Deadly Demise D6

When this model is destroyed, roll one D6 before removing it; on a 6 each unit within 6" suffers D6 mortal wounds.
