ABILITIES

Core

Leader.

Faction

Voice of Command.

Leader

This model can be attached to one of the following units: **Cadian Command Squad**, **Cadian Shock Troops**, **Kasrkin**. (If joining a unit already led by Lord Castellán Creed / Ursula Creed, both Leaders attach as one Leader stack.)

Regimental Standard [AURA]

While a friendly **Cadian** unit is within 6" of this model, that unit can re-roll Battle-shock tests, and improves its Objective Control characteristic by 1 while within range of an objective marker. Cadian standards inspire defiance even unto death.

Listen Up, Maggots!

Each turn, if a friendly **Cadian Officer** model is within 6" of this model, that Officer can issue **one additional Order** beyond their normal limit. (This stacks with Lord Castellán abilities.)

Sworn Protector

If this model is in the same unit as a friendly **Lord Castellán Creed** or **Lord Castellán Ursula Creed**, each time that Lord Castellán would lose a wound, you can roll one D6: on a 2+, that wound is allocated to this model instead (Kell takes the hit; armour and invulnerable saves still apply normally). If this would destroy Kell, the wound is fully absorbed.

Colours of the Cadian 8th

Each time a friendly **Cadian Infantry** model within 6" of this model is destroyed, before removing it from play, roll one D6: on a 6, that model can fight or shoot one final time before being removed. The Cadian 8th's colours have been planted on a hundred ruined battlefields and not one has fallen while a single Cadian still drew breath.

Designer's Note

Homebrew — 8th Ed source. Colour Sergeant Jarran Kell is the standard bearer of the Cadian 8th and Lord Castellan Creed's right-hand man. The 8th Ed datasheet was an HQ character with Listen Up Maggots (extra order), Sworn Protector (intercept wounds for Creed on 2+), and Colours of the Cadian 8th (re-roll Morale). This 10e homebrew preserves the four-pillar identity: Regimental Standard aura (Battle-shock + OC), Listen Up Maggots (extra Order via nearby Officer), Sworn Protector (still tied to either Creed), Colours of the Cadian 8th updated to a 10e "fight or shoot once on death" effect. Use this card alongside Lord Castellan Ursula Creed (or the Ursarkar Creed model using Ursula's stats).
