Sha'vastos is the oldest of the Eight — preserved by a cryo-stasis accident during the Damocles Crusade. He wears veteran-pattern XV8 plates and is accompanied at all times by two Marker Drones.

ABILITIES

Core

Leader, Deep Strike.

Faction

For the Greater Good.

Leader

This model can be attached to one of the following units: **Crisis Sunforge Battlesuits**, **Crisis Starscythe Battlesuits**, **Crisis Fireknife Battlesuits**, **Pathfinder Team**.

Drone Master

This model is accompanied by 2 **Marker Drones**. In your Shooting phase, before this model shoots, you may place 1 **additional Markerlight token** on an enemy unit visible to a Marker Drone within 36". Marker Drones are destroyed before this model if a wound is suffered.

Wisdom of Years

This model and any unit it leads automatically pass Battle-shock tests. If this model leads a unit, that unit gains **+1 to Hit** with ranged attacks against enemy units marked with one or more Markerlight tokens.

Veteran Eye

This model is eligible to shoot and declare a charge in a turn in which it Fell Back.

Designer's Note

Homebrew — 9th Ed source. Sha'vastos is the team's marker-pivot — every other commander shoots better when targets are marked. His BS 2+ is the best in the Eight, reflecting his age and experience. Wisdom of Years stacks the Markerlight buff with led-unit accuracy, making him the formation's force-multiplier rather than a damage dealer.
