ABILITIES

Core

Leader.

Faction

Voice of Command.

Leader

This model can be attached to one of the following units: **Cadian Shock Troops**, **Catachan Jungle Fighters**, **Death Korps of Krieg**, **Tempestus Scions**, **Cadian Command Squad**.

Aura of Discipline [AURA]

While a friendly **Astra Militarum** unit is within 6" of this model, that unit can re-roll Battle-shock tests and improves its Leadership characteristic by 1 (to a minimum of 4+).

Leading from the Front

While this model is engaged in combat (within Engagement Range of an enemy unit), friendly **Astra Militarum** units within 6" automatically pass Battle-shock tests. Raine leads by example — her squad does not break while she fights.

Summary Execution

Each time a friendly **Astra Militarum** unit within 6" of this model fails a Battle-shock test, you can roll one D6 BEFORE applying the result: on a 4+, slay one model from that unit and the test is automatically passed instead. The Commissariat does not tolerate cowardice.

Honourbound

If a friendly **Astra Militarum Officer** within 6" is destroyed, before that model is removed, this model can issue one Order on its behalf as a free action. Raine has stood beside Antari officers her whole career; she knows their voice.

Designer's Note

Homebrew — 8th Ed source. Severina Raine is the protagonist of Rachel Harrison's Black Library novel *Honourbound* (2019), and was given a brief 8th Ed datasheet via a free Warhammer Community PDF promo (Feb 2019, Finecast model). The 8e profile was M6/WS3+/BS3+/S3/T3/W3/A3/Ld8/Sv4+ with Penance (Pistol 1, S4 AP-1) and Evenfall (Melee, S User AP-1), Aura of

Discipline, Summary Execution, Leading from the Front. This 10e homebrew preserves all four pillars and adds Honourbound (free Order on Officer death) to capture her novel-fluff bond with Antari officers. Use as a Commissar leader for any Astra Militarum infantry unit.
