ABILITIES

Daemonic Engine

This model has a 5+ invulnerable save (4+ against Psychic attacks).

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Iron Discipline

This unit automatically passes Battle-shock tests.

Berserker Rage

Each time this model is selected to fight, you can choose Berserker Rage: until the end of the phase, this model has +1 to Hit and +1 to Wound on melee attacks, but the model suffers 1 mortal wound at the end of the phase.

Deadly Demise D6

When this model is destroyed, roll one D6 before removing it; on a 6 each unit within 6" suffers D6 mortal wounds.

Designer's Note

Homebrew — HH3e → 10e Conversion. HH3e Decimator — daemon-engine heavy walker. Anchored on Knight-tier (T11 W18 OC4). Storm laser + butcher cannon array is the canonical Decimator dakka loadout. Berserker Rage captures the Daemon Engine flavour — overclock at a cost.
