Kytan skullhewer (two-handed great axe)	Melee	8	2+	14	-4	D6+1	Devastating Wounds Sustained Hits 2

ABILITIES

Daemonic

This model has a 5+ invulnerable save (4+ against Psychic attacks). Each time this model would lose its last wound, before it is destroyed roll one D6: on a 6, it has 1 wound remaining instead.

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Iron Discipline

This unit automatically passes Battle-shock tests.

Skull-Tally

Each time this model destroys an enemy unit in melee, until the end of the battle, this model has +1 to the Wound roll on its melee attacks (cumulative, max +3).

Daemonic Invulnerable

This model has a 4+ invulnerable save (improved from the standard Daemonic 5+).

Deadly Demise D6

When this model is destroyed, roll one D6 before removing it; on a 6 each unit within 6" suffers D6 mortal wounds.

Designer's Note

Homebrew — HH3e → 10e Conversion. HH3e Kytan Daemon Engine. Knight-equivalent Khorne daemon engine. Anchored on Knight-tier (T12 W22 4++ on the 4+ inv that reflects HH3e's tougher Kytan shielding). Skullhewer is the canonical Kytan two-handed greataxe. Skull-Tally is the canonical Khorne-flavoured snowball ability.
