ABILITIES

Lord of the Thousand Sons

At the start of your Command phase, select two Lord of the Thousand Sons abilities. Until the start of your next Command phase, this model has those abilities.

Sorcerous Barrier

Until the start of your next Command phase, this model has a 3+ invulnerable save.

Psychic Tempest

Select one enemy unit visible to this model within 18". That unit suffers D6 mortal wounds.

Scarlet Web [AURA]

While a friendly Thousand Sons unit is within 6", models in that unit have the [LETHAL HITS] keyword on all their ranged weapons.

Sire of the Thousand Sons [AURA]

While a friendly Thousand Sons Infantry unit is within 6", that unit can re-roll wound rolls of 1. In the first Battle Round, Thousand Sons units can hold Objectives even while Battle-shocked.

Arch-Sorcerer

Each time this model makes a ranged attack, a Critical Hit inflicts 2 additional mortal wounds on the target in addition to normal damage.

Eye of Magnus

At the start of your Command phase, select one enemy unit visible to this model within 18". Until the start of your next Command phase, that unit cannot benefit from the Lone Operative or Stealth abilities and is always visible.
