Crozius arcanum	Melee	5	2+	6	-1	2	—

Cassius's crozius has crushed Lictor skulls, Tyranid Warriors, and the helmets of two Heretic Astartes captains. The rosarius pendant glows faint white when he prays the Litanies — brightest when the foe is Tyranid.

ABILITIES

Core

Leader.

Faction

Oath of Moment.

Leader

This model can be attached to one of the following units: **Sternguard Veterans**, **Vanguard Veterans**, **Tactical Squad**, **Bladeguard Veterans**, **Intercessor Squad**. When leading Sternguard Veterans, that unit gains the **[PRECISION]** ability on bolt weapons (his Deathwatch Kill Team training).

Spiritual Leader [AURA]

While a friendly **Adeptus Astartes Infantry** unit is within 6" of this model, each time a model in that unit makes an attack, you can re-roll a Hit roll of 1.

Wrath of the Behemoth

Each time a model in this model's unit makes an attack against a **Tyranids** unit, that attack has the **[LETHAL HITS]** ability. Cassius lost half his face to a Lictor on Macragge and has never forgotten the lesson.

Bionic Jaw

This model has the **[FEEL NO PAIN 6+]** ability against Mortal Wounds and auto-passes the first Battle-shock test it would take each battle. The augmetic jaw doubles as a vox-array carrying his sermons across the battlefield even when his unit is suppressed.

Designer's Note

Homebrew — 3rd-9th Ed source + 9e Deathwatch heritage. Ortan Cassius was Ultramarines' Master of Sanctity equivalent across 3rd-7th Ed Codex: Ultramarines / Space Marines, and additionally served in **Deathwatch** in 9e as the named character "Chaplain Cassius" leading **Kill Team Cassius** (BSData wh40k-9e *Imperium - Deathwatch.cat*). Both identities were dropped from 10e along with the entire Deathwatch sub-faction. His SM identity sat between Chaplain and Reclusiarch in capability — this 10e

conversion uses Reclusiarch-tier stats (W5, 4++) with three signature abilities: (1) the post-Macragge Wrath of the Behemoth ([LETHAL HITS] vs Tyranids); (2) the Bionic Jaw (FNP 6+ MW + 1st Battle-shock auto-pass); (3) the Deathwatch Kill Team heritage manifests as Sternguard Veterans gaining [PRECISION] when he leads them (a "Long Vigil" carryover). Joins canonical 10e Sternguard / Vanguard / Tactical / Bladeguard / Intercessor squads. Paint: classic black Chaplain armour with Ultramarines shoulder + bone-white half-skull face.
