ABILITIES

LORD OF IRON

At the start of your Command phase, select two Lord of Iron abilities. Until the start of your next Command phase, this model has those abilities.

Iron Citadel

Until the start of your next Command phase, this model has a 3+ invulnerable save and can never be moved by enemy abilities.

Artillery Barrage

Select one enemy unit within 36" of this model. That unit suffers D6+2 mortal wounds as though hit by a barrage.

Iron Overlord [AURA]

While a friendly Iron Warriors unit is within 6", that unit can re-roll wound rolls of 1 and has the [IGNORES COVER] keyword on all ranged weapons.

SIRE OF THE IRON WARRIORS [AURA]

While a friendly Iron Warriors Infantry unit is within 6", that unit can re-roll wound rolls of 1 on ranged attacks. In the first Battle Round, Iron Warriors units can hold Objectives even while Battle-shocked.

SIEGE MASTER

This model's ranged weapons have the [IGNORES COVER] keyword. This model can make ranged attacks even while within Engagement Range of enemy models.

UNYIELDING

Each time a wound is allocated to this model, subtract 1 from the Damage characteristic of that wound (minimum 1).
