ABILITIES

Praetorian of Terra

At the start of your Command phase, select two Praetorian of Terra abilities. Until the start of your next Command phase, this model has those abilities.

Iron Resolve [AURA]

While a friendly Imperial Fists unit is within 6", models in that unit automatically pass Battle-shock tests and have the Feel No Pain 6+ ability.

Siege Breaker

Until the start of your next Command phase, this model's weapons have the [IGNORES COVER] keyword. Each time this model makes a ranged attack against a unit in cover, add 1 to the Wound roll.

Counter-Thrust

Once per Fight phase, when an enemy unit ends a Charge move within Engagement Range of this model, this model can fight before that enemy unit does.

Sire of the Imperial Fists [AURA]

While a friendly Imperial Fists Infantry unit is within 6", each time an attack targets that unit, subtract 1 from the Hit roll. In the first Battle Round, Imperial Fists units can hold Objectives even while Battle-shocked.

The Praetorian's Shield

Each time a wound is allocated to this model, subtract 1 from the Damage characteristic of that wound (minimum 1).

Rampart

This model can hold Objectives even while Battle-shocked and can never be removed from Objectives by enemy abilities or Stratagems.
