Sergeant Daenen Bastonne is the most decorated Veteran Sergeant in the Cadian 8th. Every commendation, every campaign ribbon, every wound-scar was earned at the front of his squad.

ABILITIES

Core

Leader.

Faction

Voice of Command.

Leader

This model can be attached to one of the following units: **Cadian Shock Troops**, **Kasrkin**, **Cadian Command Squad**. (Bastonne's role is a Veteran Sergeant who augments a squad rather than commanding an army — Officers, not him, issue Orders.)

Honour of Cadia

Each time a model in Bastonne's unit makes an attack, you can re-roll a Hit roll of 1. If the unit is on or wholly within range of an objective marker you control, you can instead re-roll any Hit roll of 1, 2, or 3.

Cadian Steel

The first time each battle that Bastonne's unit is targeted by one or more ranged attacks, until the end of the phase, attacks targeting that unit suffer **-1 to the Wound roll**. Cadian Shock Troopers do not flinch when a Veteran Sergeant of the 8th is among them.

Hardened Veteran

This model has the **[FEEL NO PAIN 6+]** ability against all attacks.

Designer's Note

Homebrew — 7th Ed source. Sergeant Daenen Bastonne was the Cadian 8th's veteran sergeant character across 4th-7th Ed Codex: Imperial Guard / Astra Militarum, often paired with Lord Castellán Creed and Colour Sergeant Kell as the iconic Cadian command tableau. His 7th Ed identity was three-fold: (1) "Honour of the Cadian 8th" — the squad he leads gets re-rolls to hit; (2) better stats than a stock sergeant (notably +1 W and access to a power weapon as standard); (3) a defensive "Cadian Steel" feel keeping the squad combat-effective despite incoming fire. This 10e conversion expresses all three: Honour of Cadia (re-roll 1s,

escalating to 1-3 on objectives), Cadian Steel (once-per-battle -1 Wound), Hardened Veteran (FNP 6+). Pair with Colour Sergeant Kell (separate homebrew card) and Lord Castellan Ursula Creed for the full Cadian 8th command trio.
