ABILITIES

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Iron Discipline

This unit automatically passes Battle-shock tests.

Dug In

If this unit did not move during its preceding Movement phase, models in this unit gain the Benefit of Cover, AND ranged attacks made by models in this unit have +1 to the Hit roll.

Hold the Line

This unit's OC is increased to 3 while wholly within your deployment zone.

Designer's Note

Homebrew — HH3e → 10e Conversion. HH3e Tech-Thrall Defence Covenant. Stationary garrison variant — slightly better save (4+ vs 5+) and OC 2, with Dug In + Hold the Line rewarding static play.
