ABILITIES

Doctrina Imperatives

This model gains the effect of the chosen Doctrina Imperative each Command phase (Conqueror: Hit roll of 6 scores an additional Hit; Protector: enemy Hit rolls suffer -1). See faction ability card.

Iron Discipline

This unit automatically passes Battle-shock tests.

Jump Pack

This unit has the FLY keyword. In your Movement phase, this unit can FLY, ignoring terrain and other models. After deploying, you can set up this unit in Reserves; if you do, it arrives via Deep Strike.

Cybernetic Resilience

This unit has a 5+ Feel No Pain ability against attacks with [DEVASTATING WOUNDS] or [PRECISION].

Designer's Note

Homebrew — HH3e → 10e Conversion. HH3e Thallax Cohort. Cybernetic shock-troops with jump packs — anchored on Inceptor / Assault Intercessor tier (T5 W2 Sv3+) but with Skitarii flavour. Lightning gun is canonical Thallax armament. Cybernetic Resilience reflects their bionic anti-precision durability.

WARGEAR OPTIONS

WEAPON SWAP: Up to 2 Thallax in the unit may replace lightning gun with: photon thruster (24" A1 S5 AP-2 D2 [Heavy]), multi-melta (18" A1 S9 AP-4 D D6+2 [Melta 2]), or plasma fusil (24" A3 S7 AP-2 D2 [Rapid Fire 1]).
