

THE DAMNED

THE BLACK GUARDIANS OF ULTHWÉ

AELDARI • ASURYANI • ULTHWÉ

Ulthwé sits closest to the Eye of Terror, and her warriors fight for survival every dawn. The Farseers' visions thread the patrol's every step — each shot, each fall-back, each charge already foreseen. Their warriors are masses of grim militia in black armour, but each one walks beside the Future Itself.

FACTION ABILITY — BATTLE FOCUS

Even Ulthwé's footsoldiers move with the prescience of the Farseer's gaze upon them.

Each time an **Aeldari** unit from your army Advances, until the end of the turn ranged weapons equipped by models in that unit have the [ASSAULT] ability.

DETACHMENT RULE — THE DAMNED

Threads of Fate

While a friendly **Psyker** is on the battlefield, once per battle round, you can re-roll one Hit roll, one Wound roll, OR one Saving throw made for any friendly **Ulthwé** unit. In addition, friendly **Ulthwé** units within 6" of a Psyker have the Stealth ability.

ENHANCEMENTS

Your **Farseer** model is your Warlord and has the **Crystal Targeting Matrix** Enhancement. You can replace this with **Helm of Fate**.

DEFAULT ENHANCEMENT

Crystal Targeting Matrix

The bearer's psychic projection routes targeting data to every gun in earshot, weaving multiple shots into one inevitable wound.

While the bearer is leading a unit, ranged weapons equipped by models in that unit have the [SUSTAINED HITS 1] ability. If they already have [SUSTAINED HITS 1], they instead become [SUSTAINED HITS 2].

— O R —

OPTIONAL ENHANCEMENT

Helm of Fate

The wearer sees ten futures at once, and chooses the one in which she wins.

Once per battle round, you can re-roll an additional die per the detachment rule (so two rolls per battle round may be re-rolled instead of one). The bearer also has a 4+ Invulnerable save.

SECONDARY OBJECTIVES

You will use the **Path of the Seer** secondary objective. You can replace this with **Black Guardians' Watch**.

DEFAULT SECONDARY OBJECTIVE

Path of the Seer

The Farseer hunts those whose deaths will best alter the threads of fate.

At the end of each phase, you score **3VP** if a friendly Ulthwé unit destroyed one or more enemy **Psyker** or **Character** models that phase.

— O R —

OPTIONAL SECONDARY OBJECTIVE

Black Guardians' Watch

The masses of Ulthwé hold every step of ground that should never be lost.

At the end of each player's turn, you score **3VP** if you control every objective marker in your deployment zone, plus an additional **2VP** if a friendly Black Guardian Defenders unit is on each of those objectives.

STRATAGEMS

Witness of the Future 1 CP

The Damned — Strategic Ploy Stratagem
The Farseer reveals a thread of fate the foe cannot escape.

WHEN: Any phase, when a die is rolled (friendly or enemy).
TARGET: That die.
EFFECT: The roll must be re-rolled. You choose whether the re-roll happens. This Stratagem can only be used once per battle.

Black Guardian's Wrath 1 CP

The Damned — Battle Tactic Stratagem
The militia of Ulthwé fight with the desperate fury of those who know how the war ends.

WHEN: Your Shooting phase or Fight phase, just after a friendly **Black Guardian Defenders** unit has been selected.
TARGET: That Black Guardian Defenders unit.
EFFECT: Until the end of the phase, attacks made by models in your unit have +1 to the Wound roll.

Fate's Dictum 2 CP

The Damned — Strategic Ploy Stratagem
The Farseer's foresight unmakes the foe's plan before it can be spoken.
WHEN: Your opponent's turn, just after they spend Command points to use a Stratagem.
TARGET: The Stratagem your opponent just used.
EFFECT: That Stratagem has no effect — the Command points your opponent paid are not refunded.
