

VALTHEX'S FORGE

MECHANISED BOLTER TIDE — BATTLE ALCHEMISTRY

ASTRAL CLAWS • ADEPTUS ASTARTES • IMPERIUM

Armenneus Valthex marshals an armoured spearhead, his Battle Alchemy coursing through every bolt-round and machine-spirit. Around him bolters strike with greater force, vehicles regenerate their wounds beneath his ministrations, and the Astral Claws roll forward as an unstoppable iron tide.

FACTION ABILITY — OATH OF MOMENT

At the start of your Command phase, select one unit from your opponent's army. Until the start of your next Command phase, that enemy unit is your **Oath of Moment** target. Each time a model with this ability makes an attack that targets your Oath of Moment target, you can re-roll the Hit roll.

DETACHMENT RULE — TYRANT'S CRUSADE**Tyrant's Disciplined Volley**

Once per battle round, when a friendly **Astral Claws** unit is selected to shoot, you can declare it makes a Disciplined Volley. Until the end of the phase, ranged attacks made by models in that unit have the [SUSTAINED HITS 1] ability. Each unit can only be chosen for a Disciplined Volley once per battle.

ENHANCEMENTS

Your **Armenneus Valthex** model is your Warlord and has the **Master Artificer's Toolkit** Enhancement. You can replace this with **Phased Field Generator**.

DEFAULT ENHANCEMENT**Master Artificer's Toolkit**

Valthex's mechadendrites bristle with bespoke instruments, each calibrated by his own hand to mend war-engines mid-battle.

The bearer's **Blessing of the Omnissiah** ability heals D3+1 lost wounds (instead of D3) and may target a friendly Adeptus Astartes Vehicle within 6" (instead of 3").

— OR —

OPTIONAL ENHANCEMENT**Phased Field Generator**

A pocket conversion-field of Valthex's own invention warps incoming fire away from his frame in a stutter of arcing light.

The bearer has a 5+ Invulnerable save.

SECONDARY OBJECTIVES

You will use the **Tyrant's Decree** secondary objective. You can replace this with **Hold the Maelstrom Zone**.

DEFAULT SECONDARY OBJECTIVE**Tyrant's Decree**

The Tyrant's word is law. Where his champions strike, the enemy's commanders fall.

At the end of each phase, you score **2VP** if your Warlord destroyed one or more enemy models that phase.

— O R —

OPTIONAL SECONDARY OBJECTIVE

Hold the Maelstrom Zone

The Tyrant's Legion seizes the strongholds of its foes and holds them with the savagery of true believers.

At the end of each player's turn, you score **5VP** if you control one or more objective markers that your opponent controlled at the start of that turn.
